Mr. Howland Wood,
Curator:

American Numismatic Society,
B'way & 155th & 156th Streets.,
New York City.

Dear Mr. Wood:

I am going to ask you to do a very great service to International Studio, by allowing it to use the names and addresses of the museum's patrons. We wish to send a copy of the magazine to each of them, with an invitation to subscribe.

We are mailing you, under separate cover, a copy of the new International Studio. You will note the change that has been wrought by the new management. We feel that if we can increase the circulation to 50,000, it will mean a great deal to the art movement in America.

We shall be glad to bear whatever expense is attached to copying your list, and we pledge ourselves not to allow any other use to be made of it than the one set forth above.

Thanking you, and with best wishes, I am,

Faithfully, *Boswell*

Dear Mr. Boswell:

In reply to your letter of June 26th,
I regret to inform you that it is against
the rules laid down by this Society to is-
sue the names and addresses of its members,
even for purposes so admirable as those des-
cribed in your letter. I am sorry that I
am unable to send you a more favourable reply.

Very truly yours,

Curator
